EVENTS

TAKING CARE OF THEIR FAMILIES WHILE THEY PROTECT OURS

OUR OBJECTIVE

In order for the SEAL Family Foundation to provide its spectrum of family resiliency programs to the Naval Special Warfare community, we host a variety of events throughout the year to raise awareness and resources about who we are and what we do. Our Gala Dinners, Auctions, Golf Tournaments, and Shooting opportunities provide our guests with a great experience and better understanding about our programs. We could not continue to offer our family resiliency-building programs and services for the families without hosting these fundraising efforts.

If you are interested in hosting an event and leading an opportunity throughout the year to generate awareness and resources for our cause, please contact us via email: **events@sealfamilyfoundation.org** or phone at **760-533-7172**

FAMILIES FIRST

OUR MISSION is to support individual and family readiness through an array of programs specifically targeted to assist the Naval Special Warfare community in maintaining a resilient, sustainable, and healthy force in this era of persistent conflict and frequent deployments.

SERVICES FOR FAMILIES

Third Location Decompression (TLD)

seminars provide the spouse tools to prepare for their service members' return from deployment.

Sisterhood meetings foster community and are opportunities for NSW spouses to connect and discuss topics of shared concern.

Our partnership with **SEALKIDS** provides direct educational diagnostic testing services to address the complexities of a NSW child on the autism spectrum, with special needs, needing tutoring or struggling with behavioral/emotional difficulties.

Yearly Family Readiness Group (FRG)

grants are used to increase family unity, provide educational activities and empower peer support and close interaction between NSW families.

Emergency Assistance and immediate access to resources is a critical safety net for a wide assortment of activities and issues that arise for Naval Special Warfare families on short notice.

SERVICES FOR WARRIORS

Injury and Emergency Assistance is provided to the service member for issues that arise unexpectedly.

SQT/CQT Family Graduation Dinners are held at the command the evening before graduation to celebrate and welcome the families into the NSW community.

A private breakfast is provided one week after the completion of **Hell Week** for SEAL Candidates and their significant others.

SERVICES FOR FALLEN HEROES

Gold Star Family Support includes, but is not limited to, Command memorial service/reception expenses for a fallen service member, family trips to internment sites, holiday gatherings and events for families, assistance with private family foundations and the establishment of memorials.

Children, Teens & Young Adult Bereavement Programs are in the form of an annual summer camp for ages 5-18 years old and long weekend academies for Gold Star teens and young adults.

We host NSW Gold Star families annually for the wreath laying ceremonies in conjunction with **Wreaths Across America** in Arlington, VA and San Diego, CA.

Memorial & Heritage Support is funded by the Foundation in the form of monuments, building and classroom dedications, naming events, and local tributes to our fallen brothers.
